We may embellish the infinite realms of the ten directions with precious gems and present them to the Victorious Ones; we may offer the finest pleasures of gods and humans during as many eons as there are atoms in the universe. Even so, paramount indeed is the exceptional merit of those of us who have heard this King of Dedications, are truly determined to pursue supreme enlightenment, and give rise to genuine faith, be it just for a moment.

Practitioners will have wisdom, the shapeliest physique, excellent signs, a noble family, and a fine complexion. The many maras and heretics will be powerless against them, and they will be honored throughout the three worlds.

This text was finalized by the Indian scholars Dzinamitra and
 Surendrabodhi and the great editor Lotsawa Bendé Yéshé Dé, among others,
 who translated and checked it.

Translator's notes: Concerning the very last verse, it seems it was added by the original translators and is not found in the Sanskrit original. There are two accepted versions. In many texts - Drakpa Gyaltsen's commentary, for example - the third line reads as above. The one below is found in Taranatha's commentary on the practice and in some other texts:

ଗୁରୁ ଚୁ ମହା ମର୍କଣ ପରେ ଶିଳ୍ପ ଶୁଣ ଶ୍ଵେ

kiintou zangpo gyenpé zhing droub té
 in which case the last lines could translate as:

**May the pure realms adorned by Samantabhadra be attained,
 and may the entire space of the unfortunate realms become empty.**

Also, concerning the 18th verse, where our wish is to develop boundless communication skills, when Kunzig Shamar Rinpoche describes the classes of beings called yaksha and kimbandha in Sanskrit, they closely resemble the human-like beings in world mythology called djinns, or genies, and trolls. Nagas are underground or water beings often are depicted as having a half-human, half-snake form.

Translated under the guidance of Kunzig Shamar Rinpoche by Pamela Gayle White.
 Transliteration by PGW.
 My sincere apologies for all mistakes. Through the luminous blessing of the masters, may the light of wisdom outshine the translator's murky confusion in all future endeavors.
